Foreword

With heartfelt gratitude, we proudly present “*Anthology of Poems and Poetry for Elementary School*”, a collection of English poems specially created for upper–elementary students. This book is designed not only as a literary reading resource but also as a bridge for students to learn English through works that feel close to their everyday lives.

The poems in this book are written with Indonesian nuances, such as familiar names, places, cultural elements, and themes commonly found in daily life. We believe that integrating local elements makes the learning process more relevant, enjoyable, and meaningful.

Each poem is accompanied by a New Vocabulary section to help students gradually expand their English vocabulary. Through reading poems, exploring meanings, and understanding contexts, students are encouraged to develop their English skills naturally and creatively.

We realize that this book is far from perfect. Therefore, we warmly welcome any feedback and suggestions for future improvements. We hope this book becomes a pleasant learning companion and inspires students to appreciate both poetry and the English language.

Happy reading, may every line spark curiosity, joy, and new excitement in learning.

Warm regards

A BEAUTIFUL DAY ON THE BEACHES OF BALI

Waves roll gently to the sand
Children jump and splash with glee
The sun shines bright across the land
Coloring the sea.

Kites fly high in skies so blue
Dancing freely in the air
The beach is full of every hue
Happiness everywhere.

Shells are waiting to be found
Shining in the golden glow
Joy is spread all around
Wherever Bali's waters flow.
